

Residency Questionnaire - Changing Your Status to Texas Resident

The Office of the University Registrar will determine if students are a Texas Resident or Non-Texas Resident. To make this determination, students must answer a set of questions determined by the Texas Higher Education Coordinating Board (THECB) per the [Texas Administrative Code Rule §21.25](#). This determination impacts a student's tuition rate.

The Residency Questions have been coded as an electronic form for students who have access to My Student Center. The below instructions show how to access and submit this form.

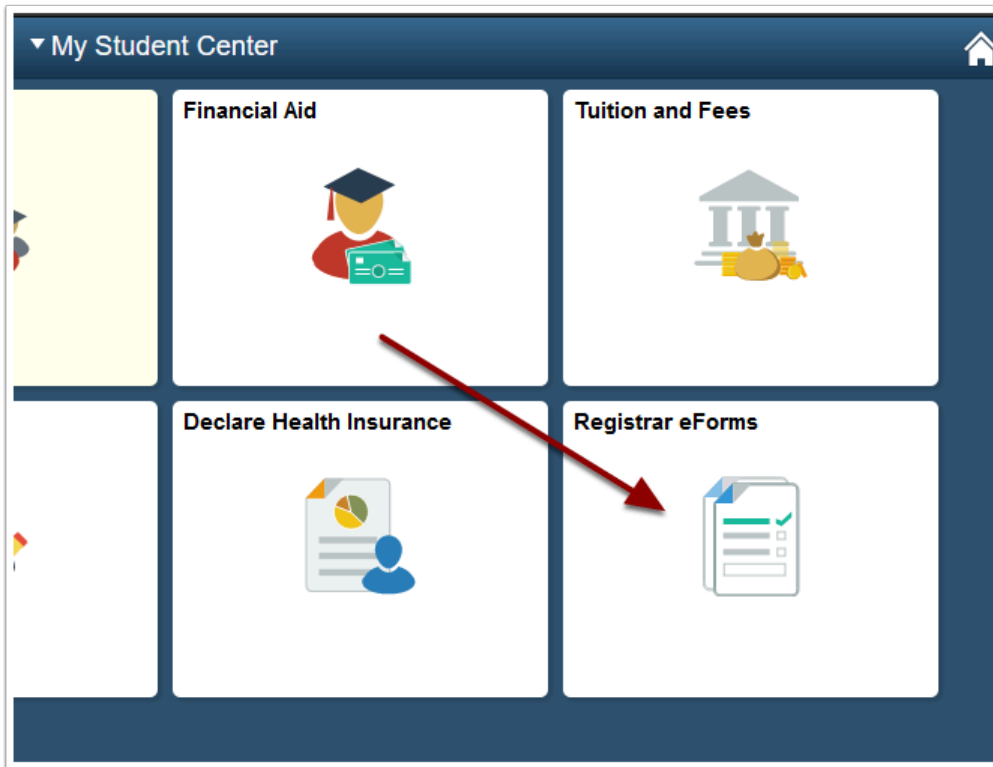

If you are not eligible to be coded as a Texas Resident, there are other ways to get the in-state tuition rate or assistance with tuition! Contact the [Veteran Services & Financial Aid Office](#) for assistance.

1. Log into My Student Center

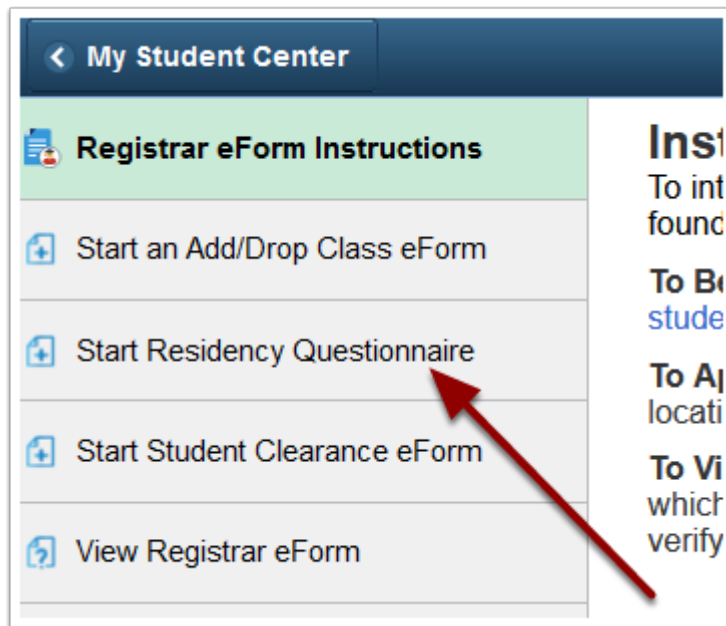

Reference [How to Log into My Student Center](#) for instructions on logging in.

2. Click on the Registrar eForms Tile

3. Select 'Start Residency Questionnaire' to Access the Form

- i If you do not see 'Start Residency Questionnaire' as an available option, then you may already be designated as a Texas Resident. Please contact registrars@uthscsa.edu for assistance.

4. Complete the Form

The form will guide you through a series of questions. Answers to your questions may cause other questions to appear. As soon as you have completed all required questions on the form, click submit.

! Most submissions of this questionnaire will require supplemental documentation! If you are required to submit documentation, the form will provide details on what and where to submit documentation.

i Allow up to 10 business days after submitting all documentation for an official determination.

Term

If you are a current student, please do not submit the questionnaire until 1 month before the start of the new term.

*Effective Term (e.g. Fall 2021)

Complete all required questions and any new questions that appear.

Previous Enrollment

*In the last 12 months, did you attend a public college or university in Texas?
